CAR WINDSHIELD SNOW COVER

USER MANUAL

INTRODUCTION

Thank you for purchasing the AstroAI Windshield Snow Cover.

This windshield snow cover is designed to protect your vehicle from snow, ice, frost, and rain when parking in winter.

The windshield snow cover prevents frost, snow, and ice from piling up on the windshield, saving time and eliminating the need to scrape ice and snow off the car. We hope you like your new windshield snow cover!

This manual provides all the safety information, operation instructions, specifications, and maintenance information for the windshield snow cover.

If you have any questions or concerns regarding your product, please contact us via **support@astroai.com**

Fully read and understand this manual before use and keep it for future reference.

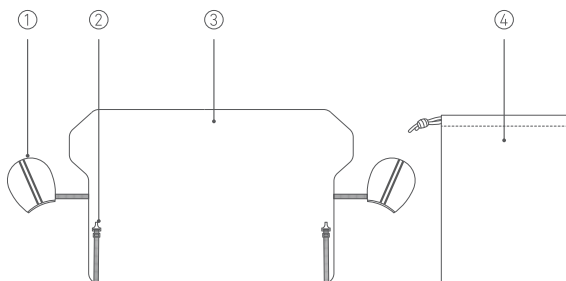

WARNING

- Slowly unfold the windshield snow cover to avoid injury from the elastic belt hook.
- To prevent it from breaking at the seam, do not roughly pull the elastic belt.
- Always gently place the windshield snow cover during installation to avoid scratching the car's paint.
- Store the windshield snow cover in a dry environment.
- Keep the windshield snow cover away from children.
- Avoid direct contact with sharp objects.
- Keep the windshield snow cover away from flames.
